From the Desk of the Chief Administrative Officer

June marks one year since my move to Foam Lake. I have found this year to be both rewarding and challenging. I am fortunate to work with a solid group of Councillors and an excellent staff. I have enjoyed meeting the fine folks of Foam Lake and look forward to more great interactions both in and out of the office. If you have any municipal related questions or concerns, please call or visit us at the Town Office; our door is always open.
