The Water Security Agency, in consultation with the Saskatchewan Health Authority, are advising that the **"Precautionary Drinking Water Advisory" (PDWA)** issued by the Water Security Agency for the Town of Foam Lake's potable water system at the 400 block of Royal Street be rescinded at 11:40am, Friday February 24, 2023.

The rescinding of the PDWA was based upon information provided by your community, which included:

Your community may return to normal monitoring requirements as identified in your permits monitoring schedule.

In closing, I would like to acknowledge that the Water Security Agency appreciates the efforts and cooperation demonstrated by staff at your water treatment plant, as well as officials of the Town of Foam Lake in addressing the advisory.
