OUR WHY

The Foam Lake Cemetery has been part of our community for over 120 years - a place where stories, memories, and generations are remembered with care.

An in memoriam piece is a lasting way to honour a loved one, preserve their legacy, and help ensure this sacred space continues to be cared for for generations to come.

INDEX

Sitting — 3
Join your loved ones with an area to sit & stay

Beautify — 4
Remember your loved ones through living trees & flowers

Reflections — 5
Curated art for your loved one to be remembered through art, stepping stones and engraved fixtures

Structures — 6
Permanent installations in remembrance of lifetimes

Locations — 8
A list along with a map of all the pre-determined locations for in-memoriam pieces

HOW DOES THIS WORK?

How items are placed in the cemetery may vary depending on what you are looking to add. Quantity & placement of items are based on the development plans

- Benches, tables & reflection pieces: Purchased and arranged by the family or owner
- Structures & beautification features: Purchased through the Town of Foam Lake and installed by our team
- All wording and font on recognition plaques to be approved by the Town of Foam Lake

All in memoriam contributions are tax-deductible & will be issued a tax receipt from the Town of Foam Lake.

As per Bylaw No. 05-2024, to help preserve the beauty and care of the cemetery, all items must be approved by the Town of Foam Lake prior to placement. Please note that items are placed at the owner's risk, and the Town is not responsible for loss or damage. Unapproved items may be removed.

Sitting

Join your loved ones with an area to sit & stay

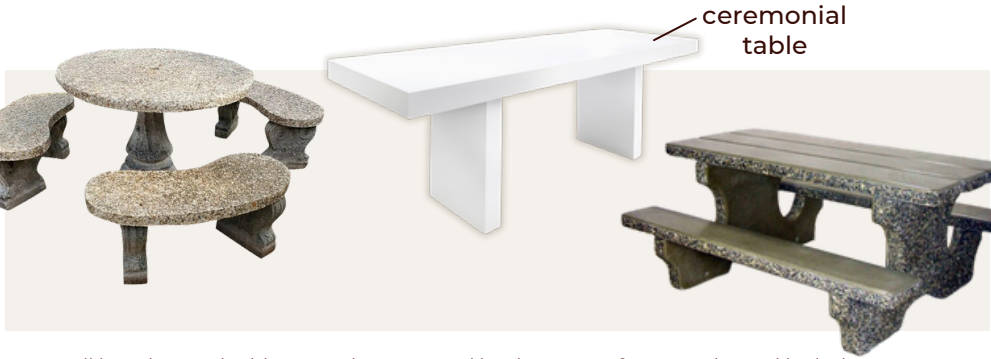

Benches

Choose from concrete, granite or metal-powder-coated benches in a neutral, earth-tone ($680-$3500)

Tables

Enjoy a concrete table, in either a circular or rectangular shape. ($750-$3000)

All benches and tables must be approved by the Town of Foam Lake and include a concrete slab base. Items placed in the Foam Lake Cemetery are at the owner's risk, and the Town of Foam Lake is not responsible for any loss or damage. Any unapproved items will be removed.

Beautify

Remember your loved ones through living trees & flowers

Flowering Crab

Aur Cherry

Tatarian Maple

European Mountain Ash

Evergreen

Annual 3-tier Planting with four planters to fill!

Each year, we will plant the bedding flowers, as per the annual planting plans

$650/year
3 year commitment

Trees

A variety of trees are approved for planting at specified locations, growing 10-25 feet once mature.

All trees will be planted by the Town of Foam Lake in a timely manner, dependent on availability and the time of year purchased.

$250-$500 per tree

All trees & planters must be approved by the Town of Foam Lake. Items placed in the Foam Lake Cemetery are at the owner's risk, and the Town of Foam Lake is not responsible for any loss or damage. Any unapproved items will be removed.

Reflections

Curated art for your loved one to be remembered through art, stepping stones and engraved fixtures

All art must be approved by the Town of Foam Lake. Items placed in the Foam Lake Cemetery are at the owner's risk, and the Town of Foam Lake is not responsible for any loss or damage. Private insurance is recommended for costly prices. Any unapproved items will be removed.

Disclaimer:
This map integrates historical data from the original plan conducted on May 6, 1947, encompassing Blocks 1 through 5, with measurements delineated in feet as per original specifications. Subsequent developments, including Blocks 6 through 12, monuments, reflection areas and columbarium additions, were executed internally, adhering to Council-approved construction guidelines. Concrete pads were installed in compliance with these directives.
The current map amalgamates the 1947 survey data with information acquired via global positioning systems (GPS). Data presented herein Blocks 1 through 7 is subject to an interpretation margin of up to 3 meters (approximately 10 feet). The measurements provided represent optimal scenarios based on the available data. Data presented herein Blocks 8 through 12 is subject to an interpretation margin of up to 1 meter (approximately 3 feet). The measurements provided represent optimal scenarios based on the available data.
